

Aloe Berry Nectar

Aloe Berry Nectar contains all of the vitamins, minerals, amino acids and enzymes found in our Aloe Vera Gel, plus the added benefits of cranberry and apple.

Besides their reputation as a cleanser for the urinary tract, cranberries provide a high content of vitamin C. They are also a natural source of pycnogenol, a powerful antioxidant that is particularly useful in maintaining collagen.

Apple juice is noted for its vitamin A and C content, as well as its potassium and pectin.

You can drink Aloe Berry Nectar with meals or alone. The delicious flavoring is totally natural, prepared from a blend of fresh cranberries and sweet, mellow apples. Added fructose (a natural fruit sugar) sweetens it just enough to please both adults and children alike.
